home page: http://www.aczoom.com/tools/cdinsert/

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

Arachne
Georg Ebers

Arachne

Ledscha, living in ancient Egypt, has lost her betrothed and all hope of love. But the gods see otherwise. She now loves a Greek sculptor, who only wanted her for a model, but even that will not happen. She has been replaced by another woman for the statue of Arachne. Who do the gods see her with? Is it the Greek, or someone else? This work is the last written and published in German by Georg Ebers before he died in 1898. He wrote many novels set it ancient Egypt, which sparked the general interest in and popularity of Egyptology that still thrives today. This book was translated into English also in 1898.
